School Days
1974-1975

The Liberty Center School District experienced a year of growth. Community members watched the progression of the construction of the new school building.

The students also progressed in many other ways as many awards and honors were awarded at many levels.

The hardships of being displaced were drawing to a close, as the thoughts of occupying the new building became more frequent. The students watched intently as the building took on a definite shape.

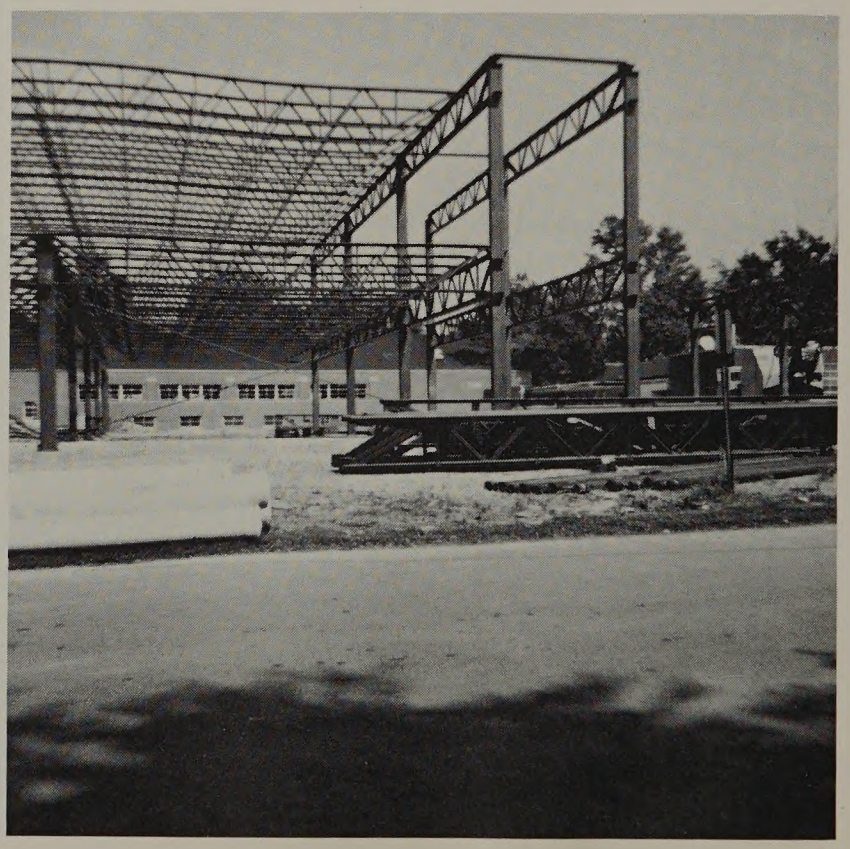
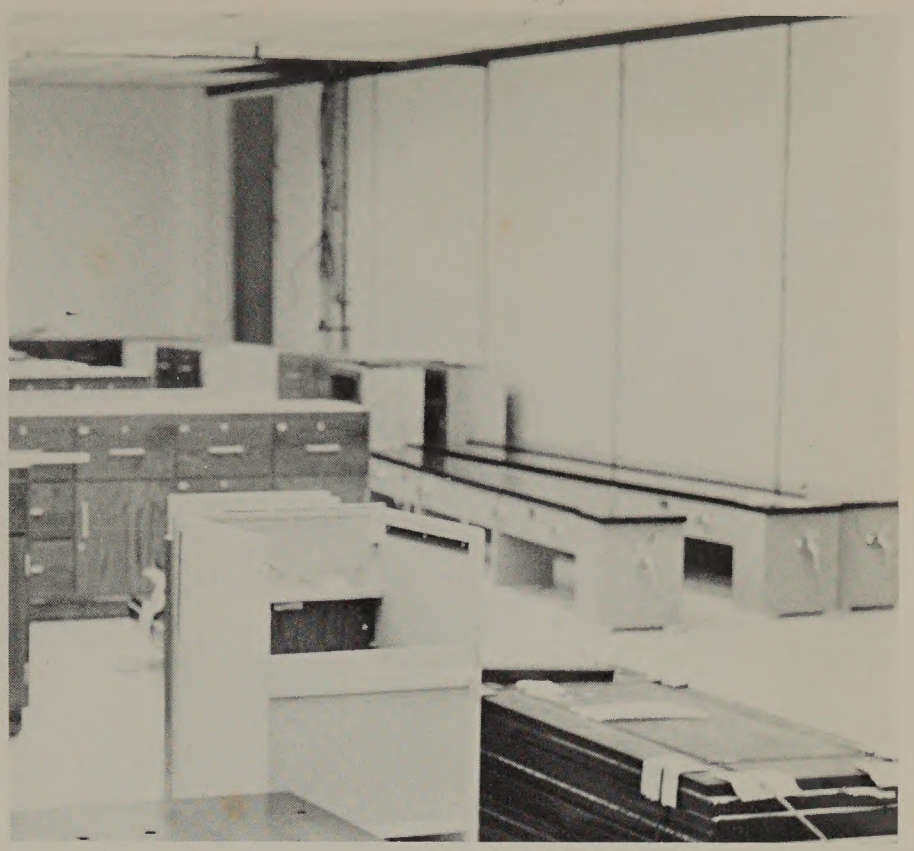
Board Of Education

The Liberty Center Board of Education has spent many hours planning and overseeing the construction of the new building. These board members held many meetings and spent many long hours devoted to their board duties. These members should be commended for their time, concern, and effort, and much appreciation and thanks are expressed by the entire student body.

SEATED (left to right): Robert Wittenmyer--President, Evelene Dulle--Secretary-Treasurer, and Edward Meister. STANDING: Herbert Arps, Lois Griffith--Vice President, and Glenn Spieth.

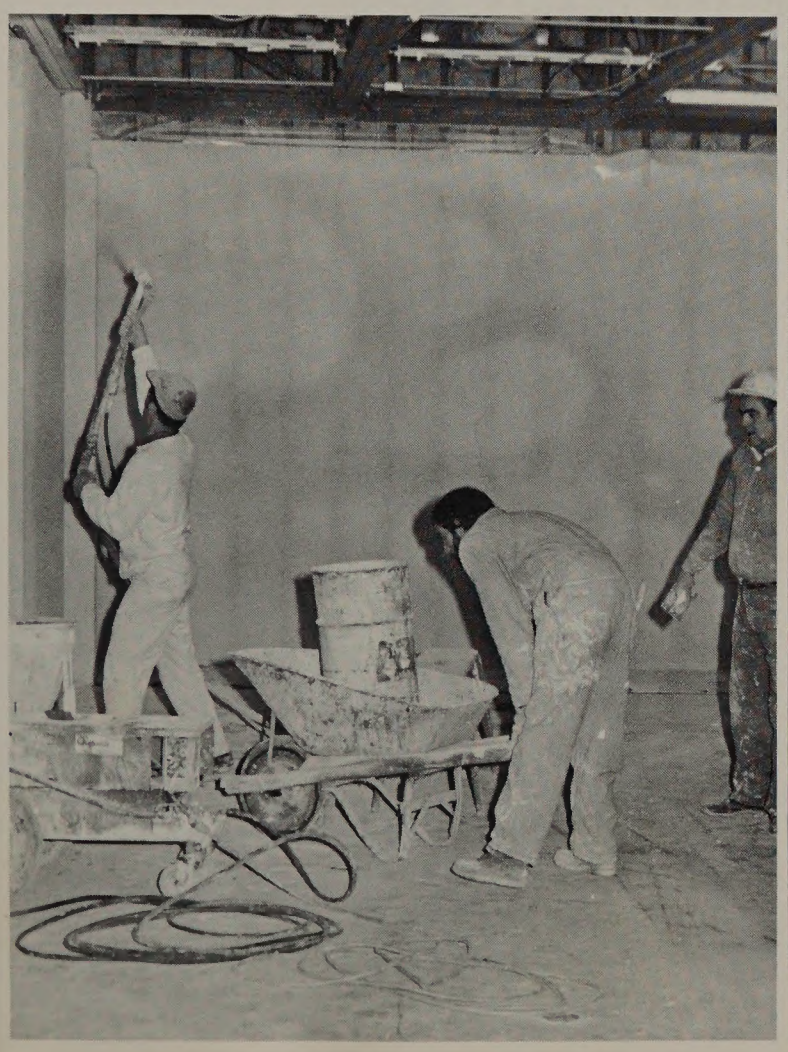




Just as the students encountered hardships, the building of the new school proposed new problems for the people. In November 1973, the voters approved the necessary levies to finance the building.

Construction began in the summer of '74. The building was built fast, but well enough to last many years. Getting materials to the workmen on schedule was one of the greatest problems. Work progressed smoothly and the building was almost all enclosed before winter. Carpeting, walls, lights, and heat were installed. Furniture arrived and was stored until ready for use. Cabinets were installed as the shipments were received.

This new building will end the hardships of being displaced for the many students of the Liberty Center Schools.



The yearbook staff and the entire school say "Thank You" to the following businessmen and friends for their generous support of our yearbook, the Tigeron.

Another banner year for the Liberty Center Schools has passed. We were still under the adverse conditions caused by our fires but through the cooperation of the community, staff, and students the school year progressed very smoothly.

Come September we will be occupying our new building. The 1975 graduating class must be congratulated for their contributions to the school and community during the past thirteen years. I wish each and every one the best for the future.

Jack E. Slagle

Local Superintendent

The 1974-1975 school year has been a year of anticipation. A new, modern, air-conditioned school is being constructed before our eyes. However, we still trudge from building to building and can only look forward to the years which lie ahead for Liberty Center students in their new school.

I suspect, however, that many years from now our students will tell their grandchildren about the big school fire of 1972. When they do so, I imagine that they will remember with pride the manner in which they worked to keep the school running. Furthermore, I think many will have pleasant memories from those long and often cold and damp walks from class to class during the years of construction.

John W. Freis

High School Principal

The 1974-75 school year has been one of change and change again. We were able to accomplish many of the goals that we set in September of 1974. The First, Second, and Third Grades have moved back into the main Elementary Building. We are all pleased to see them under one roof again after 2-1/2 years.

We trust that we will be able to strengthen our program because of the move back to one building. We already anticipate a fine school year in 1975-76.

CLASS HISTORY

In the early days of September, 1971, came a new and often frightening way of life for 102 bothersome kids, commonly known as freshmen in high school. Under the patient guidance of Mrs. Kennelly and Mr. Madaras we learned organization, and elected Jon Slagle as our class President, with Robin Hamlin, Vice-President, Kurt Rohrs, Secretary, Kim Rice, Treasurer, and Pete Westhoven, News Reporter. Jon Slagle, Linda McSurley, Gary Perry and Deb Hines were chosen to represent us on Student Council. Our freshman attendant Julie Keedy was proudly escorted to the homecoming by Steve Babcock.

Our class unity was put to the test many times our sophomore year as we joined forces to be host for the homecoming "Day after Day," and tried to please everyone by presenting the option of the school ring along with the class ring. The party nominated and elected Nanette Rohrs as President. John M. McClure served as Vice-President, Jon Slagle as Secretary, Pete Westhoven as Treasurer, and Steve Spieth was News Reporter. Nanette Rohrs, Doug Desgrange, Steve Babcock, and Julian Westhoven did the negotiating for the class on Student Council. The class was honored to have Kim Rice as their sophomore attendant with Ron Wiechers as her escort to the dance. Mr. Wheeler and Mrs. Coburn helped out as advisors for the year.

When the fires hit, we strived with everyone else to maintain the morale and name of the school during a year no one will ever be able to forget. As spring came things were not quite as bright as we were brought together in the death of our classmate Linda Emahiser.

As we moved up another rung on our high school career ladder 32 of us made the decision to specialize more in one area by attending Four-County Joint Vocational School. Mr. Doughten and Mrs. Warden tried their hardest to keep smooth communications going within the class as we took on the responsibilities of the football concession stand and selling Christmas cards as money raising projects. President Cathy Leatherman, First Vice-President Steve Spieth, Second Vice-President Doug Desgrange, Secretary Peg Myles, Treasurer Kurt Rohrs, and News Reporter Nick Drain relied on the help of an expanded executive committee and the entire class to offer "Stairway to Heaven" as the 1974 prom. Student Council delegates for the year were Cathy Leatherman, Roger Weis and Julian Westhoven.

Deb Hines was chosen both homecoming attendant with Greg Westhoven as her escort, and FFA chapter sweetheart.

The beginning of the end of a very important part of our lives started in the fall of 1974. Three short years ago we were expected to speak only when spoken to, and now we are the leaders and examples for others. Our officers are Steve Babcock President, Pat Hogrefe, First Vice-President, Robin Hamlin Second Vice-President, Nanette Rohrs Secretary, LuAnn Gramling Treasurer, and Nancy Kessler News Reporter. Student Council was headed by President Steve Spieth, Vice-President Mike Worchuck, Secretary Cathy Leatherman, and Treasurer Steve Babcock.

We had hopes of graduating from the new school but as the year progressed we could see that we wouldn't quite make that goal.

For our last homecoming the student body bestowed the honor of homecoming queen upon Diane Silveus. Peg Myles was our senior attendant. Kurt Rohrs escorted Diane to the dance, and Mike Worchuck was Peg's escort.

To the school and community we offered the dramatic play "Mrs. Mike" which took a lot of cooperation from all of us on stage and behind the scenes. After being relocated time and time again during rehearsals, we came around and with the help of the student body presented "Show Boat" as the spring musical.

Mr. Hemsoth served as class defender throughout the year, trying desperately to make our plans go smoothly. We chose dark green and mint as our class colors, and selected mint green invitations. "Morning Has Broken" was our class song.

Pat Hogrefe was selected as our first wrestling queen and Cathy Leatherman was chosen by the team to reign as track queen.

"Time In A Bottle" was the theme of the prom given to us by the Junior class.

We decided on Chicago for the destination of our class trip.

Ninety-one of us graduated at ceremonies on Sunday afternoon May 25, 1975, from Liberty Center High and although this brings the curtain down on many good experiences and close friendships, we must remember that "To every end, there is a new beginning" and we all have many beginnings to get started on.

The Junior class is considered one of the hardest working classes in the High School. Hours of hard and deliberate planning were necessary to present the Prom, but many more hours were spent raising the funds. The projects for raising the money were operating the concession stands at football games and selling Christmas cards.

Juniors were also very active in sports, clubs, organizations and dramatic events.

The Junior class should be proud of their efforts and accomplishments. Many other people enjoyed themselves because of their labors.

Janet Frysinger was the Junior Attendant at the Liberty Center Homecoming. Her escort was Ken Wiechers.

Many Juniors were members of the Marching Band. This picture shows Bobbie Peavey working as Head Majorette during one of their half time performances.

Students leading the Sophomore class during the '74-'75 school year were: John Babcock, student council; Cheryl Miller, student council; Dave Rohrs, student council; Larry Hefflinger, president; Bill Gilson, secretary-treasurer; Karen Miller, news reporter; Cheryl Spieth, vice-president. Those students not pictured are: Faye Foreman, Judy Gerken, John Myers, Terry Null, Peggy Pelton, Penny Plassman, Rebecca Taft.

In going back over the 1974-75 season, the team probably played far less to their capability than I believed they could. After our second game of the season I felt that LC Tiger Cubs would be fortunate to experience one win on the hardwood this year. Setting aside five games where our opponents were far superior to us, our record then showed four wins and six defeats. In those six defeats, four of them came by a total of only seven points.

As an Eighth Grade basketball coach, I can honestly say I have enjoyed coaching the "Little Tiger Cubs." And I wish to challenge each and every member to work hard in all respects of life, improve yourself in every way possible, and above all, "never say die" when victory seems to be out of reach.

Elementary Band

Many of the students in the fifth and sixth grades were in the elementary band, directed by Mr. Ralon Wheeler. By being a member of this band, these students are laying a good foundation for Junior High band and the High School Marching Band.

These students worked as the Safety Patrol. This required them to help students at street crossings in all kinds of weather. Mr. Alfred Furko was their elementary advisor.

SECOND ROW: Jennifer Spiess, Tim McSurely, Cindy Slee, Janis Westhoven, Laura Phillips, Brad Meister, Nancy Kessler, Nanette Rohrs, Rex Kessler, Dan Seedorf, Marianne Mueller.

Our debut performance was at the Senior class play. November 19 was the date of our first presentation of "Lightshine." We "toured" with this folk musical to many of the area churches. Perhaps the highlight of "Lightshine" was at Maumee when, after the performance, we ate a memorable dinner at Ferrell's. And, no one will forget the 1975 chorus banquet when we "high-stepped-it" to a ragtime medley and we debuted our "new" outfits. Great fun...fond memories...super group!

The Lab Band was very successful for its first year. It performed for two concerts, several Band Booster meetings, the Christmas Cotillion, one or two banquets, and the commencement at Maumee Youth Camp. In the summer it will play for a wedding reception. It also sponsored the Bowling Green State University Jazz Lab Band for an assembly performance. The Lab Band was enjoyed by everyone this year, and has a great future ahead for them.

The 1974 Football season was not the success it could have been. The Tiger record, of three wins and six losses, could have just as easily been reversed as three of the games lost were by eight points or less. Our team could not come up with the big play when needed.

The Seniors were one of the better groups to play at L. C., despite the record. Ron Wiechers was voted the Most Valuable Player while Steve Babcock was the Most Valuable Back and Alonzo Foreman was the Most Valuable Lineman. Julian Westhoven and Kurt Rohrs were elected Co-Captains. All-League honors were almost all Seniors. Ron Wiechers, Alonzo Foreman, Doug Desgrange, Jeff Hoff, Kurt Rohrs, Greg Westhoven, and Julian Westhoven were so honored, along with Bill Tiplady, a Junior, and Dan Brown, a Sophomore.

This year was an "up and down" year for the Basketball Team. We got off to a great start, hit a slump about midseason and then went "up and down" the rest of the year.

Highlights of the season were our great start and victories over Archbold and Delta for the first time in many years.

Disappointments were the narrow defeats we suffered during the regular season and losing the first tournament game. A few victories here would have turned our season around.

Several of the boys will be returning from this squad, so we hope to make next year even better.

Track

I was very disappointed as to the number of boys out this year, however, the quality of those out was very good. Our dual meet record was three and eight, which was due to the lack of depth in each event. In many meets we took as many as 8 or 9 firsts out of the 15 events and still lost the meet.

Again this year it was the Seniors who supplied the majority of the power, with Pete Westhoven, Jon Slagle, Jeff Hoff, Vic Oberhaus, Roger Weirich, Craig Myers, Alonzo Foreman, and Jukka Melasaari scoring more than 54 percent of all the points. Jon Slagle and Brad Meister participated in the State Meet, but did not score. Pete Westhoven also went to Columbus and won the high and low hurdles and was chosen as the Class A outstanding performer. The 20 points scored by Pete was good enough for a 6th place tie in team competition.

Three school records were set this year. Pete Westhoven jumped 5'11-3/4" in the high jump. He also ran the low hurdles in 19.8 seconds, along with the 880 relay team of Jon Slagle, Dan Brown, Jeff Hoff, and Pete running a 1:34.6.

*League Games

The baseball year was a season of ups and downs. Ups because we won ten games and down because the eight games we lost included some we should have won.

We had a fine group of Senior ball players, but could not seem to hit as well as we should have. Les Perry was the team leader in bases swiped, taking 21 out of 23 attempts. Les also led the team in walks and extra base hits. Steve Babcock had a good year as a pitcher, winning four games while losing three. He also hit .262. Nick Drain hit .250 and tied for second in RBI's. Kurt Rohrs hit .235, a down year for him. Mike Worchuck and Steve Spieth hit .212 and .186, and provided good defensive play. Ruben Fuerst just never got started with the bat, but played a sound defensive game.

The honors went to Junior Marvin Hill, who was the Most Valuable Player, selected on points, and the Leading Hitter was Sophomore Bob Carpenter at .500 and Junior Bruce Tallman at .308.

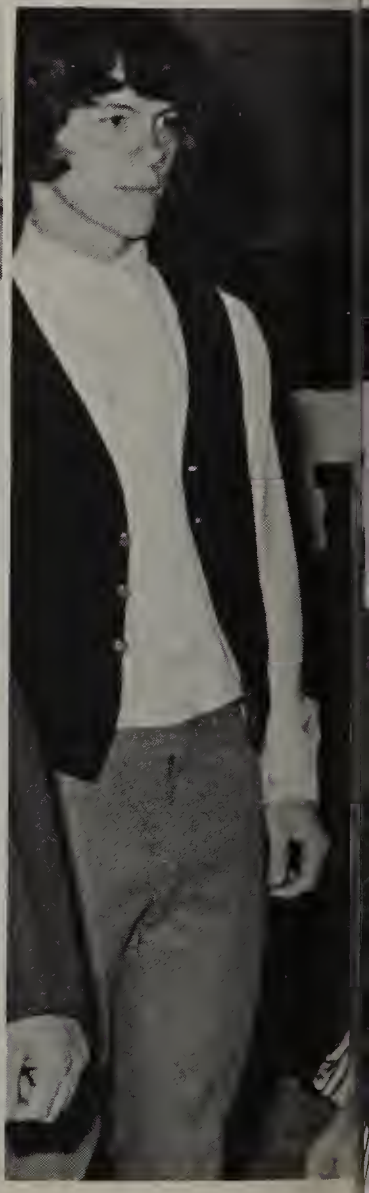
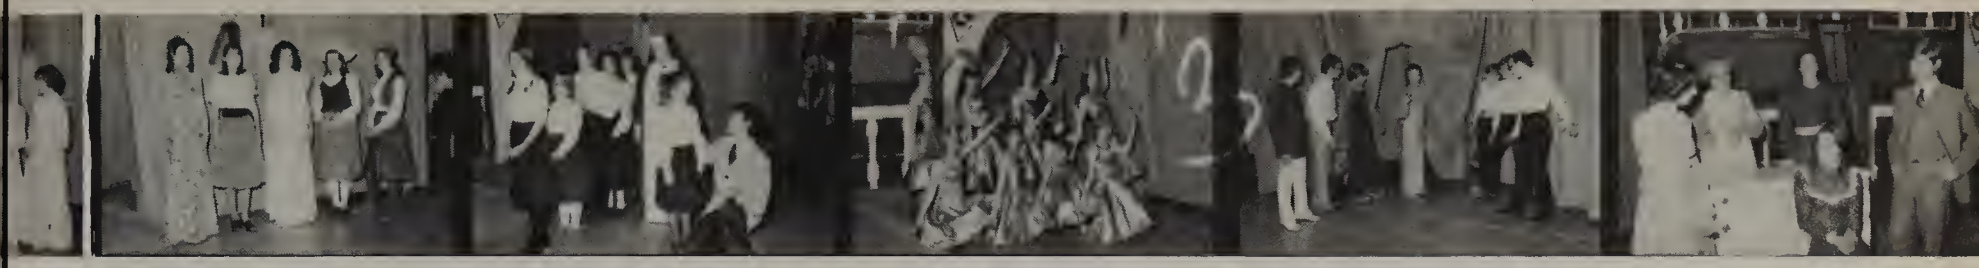
SHOWBOAT was the spring musical presented on April 4, 5, and 6. Mrs. Louisa Strock, Mr. Ralon Wheeler, and Mr. James Roynon directed and worked on the music and sets.

A tremendous student effort both on and off of the stage made the musical a very fine production.



Above is a picture of: BOTTOM TO TOP: Magnolia, Julie Creager; Gaylord Ravenal, Dan Seedorf; Captain Andy, Mark Kessler; Parthy Ann Hawkes, Nanette Rohrs; and Joe, Brad Meister. At the right is a picture of the supporting cast.



At left is: LEFT TO RIGHT: Mike Worchuck playing Steve, the husband of Julie played by Marlis Kessler, and Ellie and Frank played by Mary Weirauch and Chris Cartledge.

Above is Rick Volkman as Pete the towboat engineer and Chris Bonner as Vallon the sheriff, surrounded by townspeople.

"Time In a Bottle" was the theme of the Junior-Senior Prom.

The evening began with a candle-lit dinner and was followed by a formal dance and roller skating. The movie "The Legend of Boggy Creek" was followed by bowling and a record-hop breakfast.

GRADUATION

June 5, 1975 the last High School Students walked out the doors of the Elementary school building. The time of being displaced has ended, next year the High School Students will occupy a new building. Good Luck to all the students who will enjoy the advantages that the building will bring.

Jan and Mike, Co-Editors
